

## Kingswood – September 2018

A week back into school, Class 3 (Year 5 and 6) embarked on an adventure to Kingswood for a week long residential.

I enjoyed the campfire because we sang loads of songs. Kian

We took part in a wide range of activities in the day: kayaking, raft building, abseiling, high ropes, low ropes, buggy build, laser tag, shelter building, aero ball and archery.

We also enjoyed our evening activities: a massive quiz, mini Olympics, a scrapheap challenge (we had to build the best dinosaur from scrap) and a fantastic campfire where we ate popcorn, sang songs and told jokes.

We also learnt how to work as a team, how to work with other schools, comfort each other and even make our own beds!

A week can feel like a long time when you are away from home, but by looking out for each other, we ensured everyone had an epic week at Kingswood - bring on next year!

My favourite activity was laser tag because it was exciting and quick fire.

Oliver
