

Roald Dahl Day 13th September 2018

We celebrated Roald Dahl's birthday this year on the 12th September 2018. All children thoroughly enjoyed the day and took part in various themed activities.

Did you know that Roald Dahl was a pilot in the RAF?

"I liked making my own formula 86."
George

Class 1 looked at Charlie and the Chocolate Factory. They designed their own chocolate bars, made sweet treats and had a fun Roald Dahl themed afternoon.

Class 2 and Year 4 looked at The Witches. They designed Wanted posters to try to hunt for witches. They also created their own recipes for Formula 86 Delayed Action Mouse Maker. In the afternoon, they tried to draw like Quentin Blake and created all of the characters that they had arrived at school in.

Did you know that Boy: Tales of Childhood is a story about Roald Dahl's own childhood?

"I liked seeing everyone's costumes."
Daisy
